## WILL '01

### Costs Announced

Participants pay registration, lodging and travel costs. Registration will be approximately \$65 (Not yet finalized). It covers the costs of meals and programs. Lodging per night is \$74 for a single room and \$84 for a double room. Reservations should be made directly with the hotel.

### Continuing Education Grants Available

For those needing assistance with the cost for WILL, continuing education grants are available through the Washington State Library. **Deadlines for CE grant applications are 30 days in advance of the workshop.** Contact the Washington State Library for an application.

### Registration Materials to Arrive in June

Registration materials and detailed program information will be send to all trustees and library directors in early June. Information on conference registration (sign up with Washington State Library) and hotel reservations (make your reservations with the hotel) will be included in that mailing. Because we will not be registering participants on site, please make your arrangements prior to the conference.
